

Una come te - Cesare Cremonini

Mi Si
I'm at a payphone trying to call home
Labm Fa# Mi
All of my change I spent on you Where have the times gone
Si Labm Fa#
Baby it's all wrong, where are the plans we made for two?
Mi Si
Yeah, I, I know it's hard to remember
Labm Fa#
The people we used to be It's even harder to picture
Mi
That you're not here next to me You say it's too late to make it
Labm Fa#
But is it too late to try? And in our time that you wasted
Mi
All of our bridges burned down
Si Labm
I've wasted my nights You turned out the lights
Fa#
Now I'm paralyzed
Mi Si
Still stuck in that time when we called it love
Labm Fa#
But even the sun sets in paradise
Mi Si
I'm at a payphone trying to call home
Labm Fa# Mi
All of my change I spent on you Where have the times gone
Si Labm Fa#
Baby it's all wrong, where are the plans we made for two?
Mi Si Labm Fa#
If happy ever after did exist I would still be holding you like this
Mi Si
All those fairytales are full of shit
Labm Fa#
One more fucking love song I'll be sick
Mi Si
You turned your back on tomorrow
Labm Fa#
Cause you forgot yesterday I gave you my love to borrow
Mi Si
But just gave it away You can't expect me to be fine
Labm Fa#
I don't expect you to care I know I've said it before
Mi
But all of our bridges burned down
MI
Now I'm at a payphone...

[Wiz Khalifa] Man fuck that shit
Si
I'll be out spending all this money while you sitting round
Labm
Wondering why it wasn't you who came up from nothing
Fa#
Made it from the bottom Now when you see me I'm stunning
Mi
And all of my cars start with the push up a button

Si
Telling me the chances I blew up or whatever you call it
Labm
Switched the number to my phone So you never could call it
Fa#
Don't need my name on my show You can tell it I'm ballin'
MI
Swish, what a shame could have got picked
Si
Had a really good game but you missed your last shot
Labm
So you talk about who you see at the top
Fa#
Or what you could've saw But sad to say it's over for
Mi
Phantom pulled up valet open doors
Si
Wiz like go away, got what you was looking for
Labm
Now ask me who they want
Fa#
So you can go and take that little piece of shit with you
