Fa#m Re  
You sitting on the back seat of a taxi,  
La Mi Fa#m Re La Mi  
driving at the speed of light out of control..  
Fa#m Re  
Looking for a road sign, middle of the night,  
La Mi Fa#m Re La Mi  
windows down so I can feel the cold..  
Re Sim La Mi  
And you are the only one that knows, one that knows  
La Re Fa#m Mi Re La Fa#m Mi  
I'm gonna be your passenger passenger..

La Sim Fa#m Re

all out of everything, everything you gave me..  
Re La Fa#m Mi  
So, anytime you need a friend, you need a friend, no matter when.
