

One day - Paolo Nutini

Fa#m Do#m

From the corner of my eye

To the back of my mind

I recognize what you mean to me

And all the corners of our pictures

Are a long time frayed

They still symbolize what you mean to me

You ask me to remember a kiss is but a kiss

Like I'd be a fool to want more from you

And I'm gone in a while I'll be gone in a while

I'll be gone in a while It's all that I do

And I'll cry and you cry and we'll cry

Untill the rain turns black

And the devil moon and clings to us

And for a moment there is beauty, with you

Oh it's not a simple yearning woman

Sometimes it feels like it's all I've got It's all it's real

And I ask you to remember a kiss is but a kiss

That you'd be a fool to want more from me

And I'm gone in a while I'll be gone in a while

I'll be gone in a while It's all that I do

From the corner of my eye to the back of my mind

I recognize just what you mean to me

Runaways and promises captured in a kiss

We hide and we seek what we squander

that there's more - Something more than this

And I'm gone in a while I'll be gone in a while

I'll be gone in a while It's all that I do

It's all that I do It's all that I do

It's all that I do
