

## Rewind - Paolo Nutini

Do Do9 Fa7+ Fa

Do Do9 Fa7+ Fa7  
Picking up the pieces, of the wreck you went and left  
Do Do9 Fa7+ Fa7  
and I'm dealing with dilemmas, in my now so stressful life  
Do Do9 Fa7+ Fa7  
I'm drinking stronger spirits, made my home here on the floor  
Do Do9 Fa7+ Fa7  
and I'm losing all ambition and goals  
Mi Lam Mi sol  
I'm going all out, I'm thinking you're just as bad  
Do Sol Lam Fa  
I'm not sleeping at night, but I'm going from bar to bar  
Do Sol Lam  
Why can't we just rewind, why can't we just rewind  
Fa  
why can't we just rewind  
Do Do9 Fa7+ Fa7  
Remember at 16 the crazy drunken night we had  
Do Do9 Fa7+ Fa7  
when I kissed you in the hallway, then I took you straight to bed  
Mi Lam Mi Sol  
Two years on, I'm still the same boy and  
Do Sol Lam Fa  
I'm not sleeping at night, but I'm going from bar to bar  
Do Sol Lam  
Why can't we just rewind, why can't we just rewind  
Fa  
why can't we just rewind  
Do Sol Lam Fa  
Ohh I'm not sleeping at night, but I'm going from bar to bar  
Do Sol Lam  
Why can't we just rewind, why can't we just rewind  
Fa  
why can't we just rewind  
Rem Mi Lam Mi7  
You might blame it on me, but you insisted that we fall  
Rem Mi Fa Sol  
wiped your hands of me and you said you needed more, more, more!  
Do Sol Lam Fa  
I'm not sleeping at night, but I'm going from bar to bar  
Do Sol Lam  
Why can't we just rewind, why can't we just rewind  
Fa  
why can't we just rewind  
Do Sol Lam Fa  
Ohh I'm not sleeping at night, but I'm going from bar to bar  
Do Sol Lam  
Why can't we just rewind, why can't we just rewind  
Fa  
why can't we just rewind  
Do Sol Lam Fa Do Sol Lam Fa  
Wooahh Wohhhah Wooahh Wohhhah  
Do  
Why can't we just rewind?
