

## Don't look back in anger - Oasis

Do Fa (X2)

Do Sol Lam  
Slip inside the eye of your mind

Mi Fa  
Don't you know you might find  
Sol Do Lam Sol

A better place to play  
Do Sol Lam  
You said that you'd never been

Mi Fa  
But all the things that you've seen  
Sol Do Lam Sol  
Will slowly fade away

Fa Fam Do  
So I start a revolution from my bed

Fa Fam Do  
Cos you said the brains I had went to my head

Fa Fam Do  
Step outside, the summertime's in bloom

Sol  
Stand up beside the fireplace

Sol#  
Take that look from off your face

Lam Sol Fa Sol  
Cos you ain't ever gonna burn my heart out

Do Sol Lam Mi Fa  
So Sally can wait, she knows it's too late

Sol Do Lam Sol  
as we're walking on by

Do Sol Lam Mi  
Her soul slides away,

Fa Sol  
but don't look back in anger

Do Sol Lam  
I heard you say

Mi Fa Sol Do Lam Sol

Do Sol Lam  
Take me to the place where you go

Mi Fa Sol Do Lam Sol  
Where nobody knows, if it's night or day

Do Sol Lam  
Please don't put your life in the hands

Mi Fa  
of a rock and roll band,  
Sol Do Lam Sol  
who'll throw it all away

Fa Fam Do  
Gonna start a revolution from my bed

Fa Fam Do  
Cos you said the brains I had went to my head

Fa Fam Do  
Step outside, the summertime's in bloom
