

Little by little - Oasis

Do Sol Mim La

Mim La
We the people fight for our existence
Mim La
We don't claim to be perfect but we're free
Mim La
The dream I dream's alone with no resistance
Mim La
Fading like the stars we wish to be
Re Sol
You know I didn't mean what I just said
Mim La
But my god woke up on the wrong side of his bed
Sol

And it just don't matter now
Re La Mim Re Sol
Cos little by little I gave you everything you ever dreamed of
Re La Mim Re Sol
Little by little the wheels of your life are slowly falling off
Re La Mim Re Sol
Little by Little you have to give it all in all your life
Re Do Sol La
And all the time I just ask myself why You're really here
Mim La
True affection has to be imperfect
Mim La
I know that that sounds foolish but it's true
Mim La
The day has come now you'll have to accept
Mim La
The life inside your head we give to you

Re Sol
You know I didn't mean what I just said
Mim La
But my god woke up on the wrong side of his bed
Sol

And it just don't matter now
Re La Mim Re Sol
Cos little by little I gave you everything you ever dreamed of
Re La Mim Re Sol
Little by little the wheels of your life are slowly falling off
Re La Mim Re Sol
Little by Little you have to give it all in all your life
Re Do Sol La
And all the time I just ask myself why You're really here
