Oasis – Born on a Different Cloud

```
Rem La  Rem La Mi

Lam
Born on a different cloud
                  Sol
from the ones that have burst round town
Fa
It's no surprise to me
Sol
that yer classless, clever and free
Lam
Loaded just like the gun
                                    Sol
You're the hero that's still unsung
Fa
Living on borrowed time
Mi
You're my sun and you're gonna shine
Rem
Talking to myself again
                                     La
This time I think I'm getting through
Rem
It's funny how you think
La                           Mi
It's funny how It's funny how when you do
Lam
Born on a different cloud
                                   Sol
from the ones that have burst round town
Fa
It's no surprise to me
Sol
that yer classless, clever and free

Lam Sol Fa Mi Mi7

          Sol
Lonely soul
         Lam
Busy working overtime
          Sol
Nothing ever gets done
         Lam
Specially when your hands are tied
                  Sol
Lonely soul
                  Lam
Braking up your mother's pride
                   Sol
Nothing ever gets done
           Mi             Mi7
Not until your war's won
Lam
Born on a different cloud
