Sol  Si  Mim  Mi7  Do  Re  Sol  x2

Sol            Si              Mim         Mi7
There's no need for you to say you're sorry
    Do         Re     Sol
Goodbye, I'm going home
        Si             Mim        Mi7
I don't care no more so don't you worry
    Do         Re     Sol
Goodbye, I'm going home

Do                                  Sol
   I hate the way that even though you know you're wrong
Do                  Sol
You say you're right
Do                                  Sol
   I hate the books you read and all your friends
     La7sus4                    Do9           Solm
Your music's shite it keeps me up   all night, up all night

Sol            Si              Mim         Mi7
There's no need for you to say you're sorry
    Do         Re     Sol
Goodbye, I'm going home
        Si             Mim        Mi7
I don't care no more so don't you worry
    Do         Re     Sol
Goodbye, I'm going home

Do                                  Sol
   I hate the way that you are so sarcastic
Do                  Sol
And you're not very bright
Do                                  Sol
   You think that everything you've done's fantastic
     La7sus4                    Do9           Solm
Your music's shite it keeps me up   all night, up all night

Sol  Si  Mim  Mi7  Do  Re  Sol

Mim               Mi7         Do
  And it will be nice to be alone
                  Sol
For a week or two
Mim                Mi7
  But I know that I  will be right
Do                 Re
Right back here with you

With you,  with you
     Do9     Sol  La7sus4
With you,  with you
