Mi-------------------------||

La
I get up when I'm down
La         Re                      La
I cant swim but my soul won't drown
La
I take a wheel and got there
La        Re                La
I got speed and I walk on in

Sol                                      La (Riff.)
Coz god gave me a soul and I'm rock'n'roll babe
Sol                                      La (Riff.)
Coz god gave me a soul and I'm rock'n'roll babe

Mi            Re                      La (Riff.)
I can get so high that I just can't feel it
Mi          Re                       La (Riff.)
I can get so high that I just can't feel it
Mi                        Re
And I know my brain running through my pain
            La                    (Riff.)
Cos your my sunshine your my rain

La
I get up when I'm down
La         Re                     La
I cant swim but my soul won't drown
La
I take a wheel and got there
La          Re           La
I got speed and I walk on in

Sol                                      La (Riff.)
Coz god gave me a soul and I'm rock'n'roll babe
Sol                                      La (Riff.)
Coz god gave me a soul and I'm rock'n'roll babe

Mi          Re                           La (Riff.)
I can get so high that I just can't feel it
Mi          Re                           La (Riff.)
I can get so high that I just can't feel it
Mi          Re                           La (Riff.)
I can get so high that I just can't feel it
Mi          Re                           La (Riff.)
I can get so high that I just can't feel it
Mi                          Re
And I know my brain running through my pain
La
your my sunshine your my rain

La Re La Sol La

Mi            Re                           La (Riff.)
I can get so high that I just can't feel it
