Sim Sol
The last that ever she saw him
La Re La
Carried away by a moonlight shadow
Sim Sol
He passed on worried and warning
La Re La
Carried away by a moonlight shadow.

Lost in a river last Saturday night
Sim Sol La
Far away on the other side.
Re La
He was caught in the middle of a desperate fight
Sim Sol La
And she couldn't find how to push through

Sim Sol
The trees that whisper in the evening
La Re La
Carried away by a moonlight shadow
Sim Sol
Sing a song of sorrow and grieving
La Re La
Carried away by a moonlight shadow

Re La
All she saw was a silhouette of a gun
Sim Sol La
Far away on the other side.
Re La
He was shot six times by a man on the run
Sim Sol La
And she couldn't find how to push through

Far away on the other side
