La

La Re La Re

Hope when you take that jump you don't fear the fall

La Re La Re

Hope when the water rises you build a wall

Fa#m

Hope when the crowd screams out

Re

They're screaming your name

Fa#m Re

Hope if everybody runs

La La

You choose to stay

La Re La Re

Hope that you fall in love and it hurts so bad

La Re La Re

The only way you can know is give it all you have

Fa#m

And I hope that you don't suffer

Re

But take the pain

Fa#m Re

Hope when the moment comes you'll say

La

I I did it all I I did it all

Fa#m

I owned every second that this world could give

Re

I saw so many places the things that I did

Fa#m
