Well you only need the light when its burning low

Only know you love her when you let her go  
Lam Do Sol  
Only know you've been high when you're feeling low

Sol Mim Do Re Sim Mim Do Re  
And you let her go  
Mim Do  
Staring at the bottom of your glass  
Re Sim  
Hoping one day you'll make a dream last  
Mim Do9 Re  
But dreams come slow and they go so fast  
Mim Do  
You see her when you close your eyes  
Re Sim  
Maybe one day you'll understand why  
Mim Do9 Re  
Everything you touch surely dies  
Do Sol  
But you only need the light when its burning low  
Re Mim  
Only miss the sun when it starts to snow  
Do Sol Re  
Only know you love her when you let her go  
Do Sol  
Only know you've been high when you're feeling low  
Re Mim  
Only hate the road when you're missing home  
Do Sol Re  
Only know you love her when you let her go  
Mim Do  
Staring at the ceiling in the dark  
Re Sim  
Same old empty feeling in your heart  
Mim Do Re  
Cos love comes slow and it goes so fast  
Mim Do  
Well you see her when you fall asleep  
Re Sim  
But never to touch and never to keep  
Mim Do9 Re  
Cos you loved her too much and you dived too deep  
Do Sol  
Well you only need the light when its burning low  
Re Mim  
Only miss the sun when it starts to snow  
Do Sol Re  
Only know you love her when you let her go
