Do                   Mim                   Rem  
How many times can I tell you  
Sol  
You're lovely just the way you are?  
Do                   Mim                                   Rem  
Don't let the world come and change you  
Sol                                   Lam  
Don't let life break your heart  
Mim  
Don't put on their mask  
Rem  
don't wear their disguise  
Sol  
Don't let them dim the light  
Do  
that shines in your eyes  
Lam  
If only you could love yourself
