

Echoes - Pink Floyd

Fa#m Do#m Fa#m Do#m Fa#m Do#m
Sibm La Sol#sus4 Sol#
Do#m Fa#m Do#m Sibm La Sol#sus4 Sol#

Do#m
Overhead the albatross
Sol#m
Hangs motionless upon the air
Fa#m
And deep beneath the rolling waves
Sol#
In labyrinths of coral caves

Do#
The echo of a distant time
Sol#m
Comes willowing across the sand
Fa#m Sol#
And everything is green and submarine

Do#
And no-one showed us to the land
Sol#
And no-one knows the wheres or whys
Fa#m
But something stirs and something tries
Sol# La
And starts to climb towards the light

Do#m La Do#m La Do#m La Mi Si Do

Do#m
Strangers passing in the street
Sol#m
By chance two separate glances meet
Fa#m Sol#
And I am you and what I see is me

Do#m
And do I take you by the hand
Sol#m
And lead you through the land
Fa#m Sol#
And help me understand the best I can

Do#
And no-one calls us to move on
Sol#
And no-one forces down our eyes
Fa#m
And no-one speaks and no-one tries
Sol# La
And no-one flies around the sun

Do#m La Do#m La Do#m La Mi Si Do

Do#m Sol#m Fa#m Sol# (X2)

Sim Fa#m Re Misus4 (X2)

Do#m Sol#m Mi Fa# (X2)

Do#m Sol#m
Cloudless everyday you fall upon my waking eyes
Fa#m Sol#
Inviting and inciting me to rise
Do#m
And through the window in the wall
Sol#m
Come streaming in on sunlight wings
Fa#m Sol#
A million bright ambassadors of morning

Do#
And no-one sings me lullabies
Sol#
And no-one makes me close my eyes
Fa#m
So I throw the windows wide
Sol# La
And call to you across the sky

Do#m La Do#m La Do#m La Mi Si Do (X3)

Do#m Sol#m Fa#m Sol# ...
