

Louder than words - Pink Floyd

Do#m Si La Re

Re Re4 Re Re4
We bitch and we fight diss each other on sight
Lam

But this thing we do
Re Re4 Re Re4
These times together, rain or shine or stormy weather
Lam

This thing we do
Re Re4 Re Re4
With world-weary grace we've taken our places
Lam

We could curse it or nurse it and give it a name.
Do Si

It's louder than words
La
This thing that we do Louder than words
Do#m

It way it unfurls.
Si
It's louder than words

La
The sum of our parts the beat of our hearts
Do#m

Is louder than words
Fa# Re
Louder than words

Re Re4 Re Re4
The strings bend and slide as the hours glide by
Lam
An old pair of shoes your favorite blues
gonna tap out the rhythm

Re Re4 Re Re4
Let's go with the flow wherever it goes
Lam

We're more than alive.
Do Si
It's louder than words

La
This thing that we do Louder than words
Do#m

It way it unfurls.
Si
It's louder than words

La
The sum of our parts the beat of our hearts
Do#m

Is louder than words
Fa# Re
Louder than words

Re Lam Re Lam
