

## *I could die for you - Red hot chili peppers*

Sol Sol4

Mim Si  
Something inside the cards I know is right  
Mim Si  
Don't wanna live somebody else's life.  
Sol  
This is what I wanna be

Lam  
And this is what I give to you because I get it free.  
Sol Lam  
She smiles while I do my time.  
Sol Re Lam Mim  
I could die for you.  
Sol Re Lam Mim Sol Sol4  
Oh this life I choose.

Mim Si  
I'm here to be your only go between  
Mim Si  
To tell you of the sights these eyes have seen  
Sol  
What I really want do is  
Lam  
Turn it into motion beauty that I can't abuse  
Sol Lam  
You know that I used my senses too.

Si La  
You can see that it's only everywhere  
Si La  
I take it on and then I find a way to share.  
Re Do9  
Come along and go, along with me.  
Re Do9  
Wander with me, yo it's all for free.

Sol Re Lam Mim  
I could die for you. What you wanna do?  
Sol Re Lam Mim  
Oh this life I choose  
Sol Re Lam Mim  
I could die for you. What you wanna do?

Si  
Come again and tell me where you want to go  
Re  
What it means for me To be with you alone  
Si La Mi  
Close the door and no one has to know how we are
