

Everybody hurts - REM

Re Sol Re Sol Re

When the day is long Sol and the night, Re
the night is yours alone Sol Re

When you're sure you've had enough of this life, Sol Re
well hang on Sol

Mim La
Don't let yourself go,

Mim La
everybody cries

Mim La Re Sol
and everybody hurts sometimes

Sometimes everything is wrong, Re Sol

now it's time to sing along Re

When your day is night alone Sol

(hold on, hold on) Re

If you feel like letting go Sol

(hold on) Re

When you think you've had too much of this life, Sol Re

well hang on Sol

Mim La
Everybody hurts,

Mim La
take comfort in your friends

Mim La
Everybody hurts,

Fa# Sim Fa# Sim
Don't throw your hand, oh no,

Fa# Sim
don't throw your hand

Do Sol
when you feel like you're alone,

Do Lam
no, no, no, you are not alone

Re Sol Re
If you're on your own in this life,

the days and nights are long Sol

Re Sol
When you think you've had too much,

Re Sol
of this life, to hang on

Mim La Mim
Well everybody hurts, sometimes
La Mim

Everybody cries,
La Re Sol
everybody hurts, sometimes

Re Sol
But everybody hurts sometimes
Re Sol Re

so hold on, hold on, hold on,
Sol Re Sol Re Sol
Hold on, hold on, hold on, hold on, hold on,
Re Sol Re Sol

Everybody hurts
Re Sol Re Sol Re Sol
You are not alone
