

Volcano - Damien Rice

Lam Sol Fa Sol Lam Sol Fa Sol Lam

Lam Sol Fa

Don't hold yourself like that

Fa Sol

You'll hurt your knees

Lam Sol Fa

I kissed your mouth and back but that's all I need

Sol Fa

Don't build your world around

Sol Fa

volcanoes melt you down

Sol Lam Sol Fa

What I am to you is not real

Sol Lam Fa

What I am to you you do not need

Sol Lam Fa

What I am to you is not what you mean to me

Sol Lam Fa Lam

You give me miles and miles of mountains and I'll ask for the sea

Lam Sol Fa Sol Lam Sol Fa Sol Lam

Lam Sol Fa Sol

Don't throw yourself like that in front of me

Lam Sol Fa

I kissed your mouth your back is that all you need?

Sol Fa Sol Fa

Don't drag my love around volcanoes melt me down

Sol Lam Sol Fa

What I am to you is not real

Sol Lam Fa

What I am to you you do not need

Sol Lam Fa

What I am to you is not what you mean to me

Sol Lam Fa

You give me miles and miles of mountains and I'll ask for

Do Mi

What I give to you is just what I'm going through

Lam Fa

This is nothing new no no just another phase of finding

Do Mi

what I really need is what makes me bleed

Lam Fa

And like a new disease she's still too young to treat

Lam Sol Fa

Volcanoes melt me down

She's still too young

Fa Sol Lam

Volcanoes melt me down

What I am to you

Lam Sol Fa

Volcanoes melt me down

She's still too young

Fa Sol Lam

Volcanoes melt me down

She's still too young

Lam Sol Fa

Volcanoes melt me down

She's still too young

Fa Sol Lam

Volcanoes melt me down

She's still too young

Fa Sol Lam

Volcanoes melt me down

Senza musica

I kissed your mouth still too young You do not need me
