Capo al 1 tasto

Sol Do Re Sol Do Re

Sol Do Re
I know that the bar closes at 11
Sol Do Re
I hope you never finish that beer
Sol Do
You know all the words to "Just Like Heaven"
Re Sol
And I know why he wrote them

Do Re

now that you're standin' right here

Sol
Oh, one night I was bored in bed
Do Re

And stalked you on the internet
Sol

It's feminine intuition

Do Re
'Cause I always had a vision of us standing like this
Sol

All pressed up in the bathroom line

Do Re
You're lookin' like an angel on the walls of Versailles
Sol

The most alive I've ever been

Do Re Sol Do Re

But kiss me and I might drop dead

Sol
And I feel like I might throw up

Left hook, right punch to the gut

Do
You're so, so pretty, boy
Re

I'm paranoid I made you up

Sol
Yeah, I'd love it if you walked me home

If you promise, we can go real slow

Do
'Cause I got chewing gum
Re

And a bunch of stuff I'd like to know

Sol
Like, have you ever been to Japan

Or taken that Eurostar to France?

Do
I've been droppin' hints all night
Re

That I'd love it if you held my hand, goddamn

Sol
And then maybe we could make-makeout

Clothes off and fall to the ground
 Do
 Let's go steady, let's go out
 Re
 And tell the whole damn world how
 Sol
 One night I was bored in bed
 Do Re
 And stalked you on the internet
 Sol
 It's feminine intuition
 Do Re
 'Cause I always had a vision of us standing like this
 Sol
 All pressed up in the bathroom line
 Do Re
 You're looking like an angel on the walls of Versailles
 Sol
 The most alive I've ever been
 Do Re
 But kiss me and I might
 Sol
 Pisces and a Gemini
 Do Re
 But I think we might go really nice together
 Sol
 If you let me stay the night
 Do Re
 Well, I think I might just have to stay forever
 Sol
 Pisces and a Gemini
 Do Re
 But I think we might go really nice together
 Mim
 If you let me stay the night
 Do Re
 Well, I think I might just have to stay forever
