

Stupid song - Olivia Rodrigo

Capo al 4 tasto

Sol Do

Sol

New York City's never looked so blue

Do

My friends are smoking blunts in the bathroom

Sol

Do

Re

They say that honest love is a cage that makes you feel free

Sol

And all the girls at this party are so cool

Do

That's never been a thing that I could do

Sol

Do Re

But I can't help but imagine what you say when you speak of me

Mim

Do

You're a spark in the dark and my clothes all caught aflame

Lam

You should feel how I feel when somebody says your name

Re

I'm a car speeding down the boulevard without a brake

Sol

And I want you more than any stupid song could ever say

Do

I'm a heart made of wax and I'm melting in the sun

Lam

I'm a thread on your shirt that is coming undone

Re

I feel right, I feel wrong, I feel totally insane

N.C.

Sol

And I want you more than any stupid song could ever say

Sol

Walking through the park with my head high

Do

Past all the college girls and the drunk guys

Sol

Do

And if there is a god, he's the bond that's between us two

Sol

Seven nights alone and a skipped meal

Do

I'm sleeping in my dress and my high heels

Sol

And I'm too shy to say what I see

Do

when I dream of you (When I dream of you)

Mim

Do

You're a spark in the dark and my clothes all caught aflame

Lam

You should feel how I feel when somebody says your name
