

## Angie - Rolling Stones

Lam Mi7 Sol Fa Do

Lam Mi7 Sol Fa Do

Angie, Angie, when will those clouds all disappear?

Lam Mi7 Sol Fa Do

Angie, Angie, where will it lead us from here?

Sol Rem Lam

With no loving in our souls and no money in our coats

Do Fa Sol

You can't say we're satisfied

Lam Mi7 Sol Fa Do

But Angie, Angie, you can't say we never tried

Lam Mi7 Sol Fa Do

Angie, you're beautiful, but ain't it time we said good-bye?

Lam Mi7 Sol Fa Do

Angie, I still love you, remember all those nights we cried?

Sol Rem Lam

All the dreams we held so close seemed to all go up in smoke

Do Fa Sol

Let me whisper in your ear:

Lam Mi7 Sol Fa Do

Angie, Angie, where will it lead us from here?

Lam Mi7 Sol Fa Do (x2)

Sol Rem Lam

Oh, Angie, don't you weep, all your kisses still taste sweet

Do Fa Sol

I hate that sadness in your eyes

Lam Mi7 Sol Fa Do

But Angie, Angie, ain't it time we said good-bye?

Lam Mi7 Sol Fa Do

Sol Rem Lam

With no loving in our souls and no money in our coats

Do Fa Sol

You can't say we're satisfied

Rem Lam

But Angie, I still love you, baby

Rem Lam

Ev'rywhere I look I see your eyes

Rem Lam

There ain't a woman that comes close to you

Do Fa Sol

Come on Baby, dry your eyes

Lam Mi7 Sol Fa Do

But Angie, Angie, ain't it good to be alive?

Lam Mi7 Sol Fa Rem Do

Angie, Angie, they can't say we never tried
