

## Streets of love - Rolling Stones

Do Sol Mim Fa

Do Sol  
Your awful bright, Your awful smart

Mim Fa  
I must admit you broke my heart

Do Sol  
The awful truth is really sad

Mim Fa  
I must admit I was awful bad

Do Sol  
While lovers laughed and music plays

Lam Sol  
I stumbled by and hide my pain

Fa  
Umm the lamps are lit

Sol  
The moon is gone

Fa Sol  
I think I've crossed the rubicon

Do Sol Lam  
And I I I I I I I walked the streets of love

Fa  
And they are full of tears

Do Sol Lam  
And I I I I I I I walked the streets of love

Fa  
And they are full of tears

Do Sol  
Why music pokes from passing cars

Mim Fa  
A couple watched, me from above

Do Sol  
A band just played the wedding march

Mim Fa  
And the cornerstone mends broken hearts

Do Sol  
The woman ends if for her debts

Lam  
Ohh, its free of charge

Sol  
Just one more chance

Do Sol Lam  
And I I I I I I I walked the streets of love

Fa  
And they are full of tears

Do Sol Lam  
And I I I I I I I walked the streets of love

Fa  
For a thousand years

Ohh

Do Sol Lam Fa / Sol Fa Sol Fa /Sol Fa Lam Sol

Do Sol  
You had the moves you had the cards
