

No good in goodbye - The Script

Capotasto al II tasto

La Mim Sol Re

Mim Do
All the things that we've lost, breaking up comes at a cost,
Sol Re
And oh I miss this mistake.
Mim Do
Every word I try to choose, either way I'm gonna lose,
Sol Re
Can't take the ache from heartbreak
Do Re
Oh but as you walk away You dont hear me say..

La Mim
Where's the "good" in goodbye? where's the "nice" in nice try?
Sol Re
Where's the "us" in trust gone? Where's the "soul" in soldier on?
La Mim
Now I'm the "lone" in lonely, Cos I don't own you only,
Sol Re
I can take this mistake but I can't take the "ache" from heartbreak

La Mim Sol Re
No I can't take the "ache from heartbreak

Mim Do
No matter how it falls apart there's an "art" in breaking hearts,
Sol Re
But there's no "fair" in farewell
Mim
when I see you in the street,
Do Sol Re
I pray to God you don't see silent hell in I wish you hell,
Do Re
Oh but as you walk away, you don't hear me say...

La Mim
Where's the "good" in goodbye? where's the "nice" in nice try?
Sol Re
Where's the "us" in trust gone? Where's the "soul" in soldier on?
La Mim
Now I'm the "lone" in lonely, Cos I don't own you only,
Sol Re
I can take this mistake but I can't take the "ache" from heartbreak

La Mim Sol Re
If I could turn back time then I would rewrite those lines
