Geronimo - Sheppard

```
Sol

         Sol
Can you feel it? Now it's coming back,
we can steal it If we bridge this gap
        Do9                              Sol
I can see ya through the curtains of the waterfall
       Sol
When I lost it yeah you held my hand,
But I tossed it didn't understand
         Do9                          Sol
You were waiting as I dove into the waterfall

Sol                   Lam      Mim         Do
So say geronimo, say geronimo  Say geronimo, say geronimo
Sol                   Lam      Mim         Do
So say geronimo, say Geronimo  Say geronimo

       Sol Mim Do         Sol                        Mim   Do
Can you fe_____el my love? (Bombs away, bombs away, bombs away)
Sol Lam Mim  Do    Sol                Lam  Mim    Do
Can you fe_____el my love? (Bombs away, bombs away, bombs away)

          Sol
Well we rushed it moving way too fast,
and we crushed it But it's in the past
      Do9                                            Sol
We can make this leap through the curtains of the waterfall

Sol
Well I'm just a boy with a broken toy
                       Do
all lost and coy (at the curtains of the waterfall)
       Sol
So it's here I stand as a broken man
                                  Do
but I've found my friend (at the curtains of the waterfall)
        Sol
Now I'm falling down through the crashing sound then you
Mim                   Do
come around (at the curtains of the waterfall)
Sol
And you rush to me and it sets us free
      Mim                   Do
So I fall to my knees (at the curtains of the waterfall)

Sol                   Lam    Mim         DO
So say geronimo, say geronimo  Say geronimo, say geronimo
Sol                   Lam     Mim         DO
So say geronimo, say Geronimo  Say geronimo

       Sol Lam Mim    Do       Sol                Lam  Mim    Do
Can you feeeeeeel my love?  - Bombs away, bombs away, bombs away)
       Sol Mim Do             Sol                        Mim   Do
Can you fe______el my love? - Bombs away, bombs away, bombs away)
       Sol Mim Do     Sol
Can you fe______el my love?
```
