

My soul trigger - Davide Shorty

Mib Dom Solm
I'm back to school you teach your rules and thanks to you
Fa Dom
I'll graduate a sinner what if I choose to cave in and lose
Solm Sib Do
your game so cruel and win a shiver and win a shiver

Mib
Taste of sweet and tragic
Dom Sol
I'm too high to feel the panic be my soul trigger
Mib Dom
You're my toxic habit just a sip now I'm fanatic
Sol
you're my soul trigger soul trigger
Mib Dom Solm
And what you see is what you need for what you need
Fa
I could be the trigger
Dom Mib Solm
Unseal my soul and let it flow
Sib Do
So let's get soaked in a steam of liquor in a steam of liquor
Mib
Taste of sweet and tragic
Dom Sol
I'm too high to feel the panic be my soul trigger
Mib Dom
You're my toxic habit just a sip now I'm fanatic
Sol
you're my soul trigger soul trigger

Sol7
And once that we bite it feels kind of frightening
Dom Sib Do Sol
tastes bittersweet but i know that our love's bigger I'm love digger
Sol7
And then we collided and i decided

Mib
That I had to go but you will always
Sib Do Sol
be my soul trigger no matter what
Sol7
You're in everything I make you're the taste
Mib
of my skin every sin you're my fate and your sun is a flame in my veins
Sib Do Sol
It's gun only shooting to release the pain
Sol Sol7
Contain my soul in a summer your smell keeps me calmer
Mib
while your air makes me dumber but to me you're a mother
Sib
you're the heroes you're the fighters

Do
I'm your son and I still love you taste of sweet and tragic
Dom Sol
I'm too high to feel the panic be my soul trigger

Mib Dom Sol
 You're my toxic habit just a sip now I'm fanatic you're my soul trigger
 Mib Dom Sol
 Kinda telepathic In another way romantic you're my soul trigger
 Mib Dom
 It could be traumatic but the need is more then panic
 Sol
 you're my soul trigger soul trigger
