

I believed in you - Skunk Anansie

Do Re Mim (X2)

Do Re
I'd like to invite you
Mim
To this pretty little thing
Do Re
Where the fruits of your labors
Mim
Are eaten by the queen
Lam Sol
Yeah I'd like to bequest you
Mim
A seat with greedy boys
Do
But I'm sorry,
Re Mim
I'ma stop you, at the door

Do
I believed in you
Re Mim
Well, I was wrong
Do Re
I believed you'd make me better
Mim
I was wrong
Lam Sim
I believed you'd shine your light and save my soul
Mim Sol
Like Superman or God
Do
I believed in you
Re Mim
Well, I was wrong

Do Re
Will you do me the favor?
Mim
Go slit your skinny throat
Do Re
Let your blood flow freely
Mim
So all your boys can choke
Lam Sol
As I rise to defeat you
Mim
On revolution role
Do Re
Where your rules and your failures
Mim
Will show

Do
I believed in you
Re Mim

Well, I was wrong
I believed you'd make me better
I was wrong
I believed you'd shine your light and save my soul
Like Superman or God
I believed in you
Well, I was wrong

Oh I hope, when you're sleeping
Your guns are close at hand
Who knows who's cheating
To steal your contraband
That you gained in abundance
From cattle living poor
One day they would take it, no more

I believed in you
Well, I was wrong
I believed you'd make me better
I was wrong
I believed you'd shine your light and save my world
Like Lucifer or God
I believed in you
Well, I was wrong

I believed in you
Well, I was wrong
I believed you'd make me better
I was wrong
I believed you'd shine your light and save my world
Like Superman or God

Re
