

I hope you get to meet your hero - Skunk Anansie

Mim Sim Sol

Sol Sim
I should have run, before the tears
Sol Mim Fa#m
than stand alone, dead in front of you, eyes without a view
Sol Sim
I should have known and faced my fears
Sol Mim Fa#m
this bitter juice, churns inside of me, secret enemy
Sol
I hope you get to meet your hero
Sim
I hope she never lets you down
Fa#m
I hope she never tears you heart out
Sol Mim
or runs away without a sound or lets you down
Sim Sol Fa#m
lets you down lets you down

Sol Sim
I wanna scream, till lungs are raw
Sol Mim Fa#m
you slew the dream, right in front you of me, you and her and he
Sol Sim
I walk away so I can die
Sol Mim Fa#m
out of your view, I lose my sanity, fate discovers me

Sol
I hope you get to meet your hero
Sim
I hope she never lets you down
Fa#m
I hope she never tears you heart out
Sol
or runs away without a sound
Sol
I hope you get to choose your weapons
Sim
and fire first without a cause
