Do#m La Mi Si Do

Do#m La  
So nice to see your face again  
Mi  
Tell me how long has it been  
Si  
Since you've been here  
Do  
- Since you've been here -  
Do#m La  
You look so different than before  
Mi  
You're still the person I adore  
Si  
Frozen with fear

Si La Mi  
All out of love but I take it from the past  
Si  
All out of words cause  
La Do#m La  
I'm sure it'll never last ohhhhhhhhhh

Mi Si  
I've been saving these last words  
Do#m  
for one last miracle  
La  
But now I'm not sure  
Mi Si  
I can't save you if you don't let me  
Do#m La Do Do#m  
You just get me like I've never been gotten before

Do#m La Mi Si Do

Do#m La  
Maybe it's a bitter wind  
Mi  
That chilled from the pacific rim  
Si  
That brought you this way  
Do  
(Brought you my way)  
Do#m La  
Do not make me think of him  
Mi  
The way he touched your fragile skin  
Si  
That haunts me every day

Si La Mi  
All out of love but I take it from the past  
Si  
All out of words cause  
La Do#m La  
I'm sure it'll never last ohhhhhhhhhh

Mi Si  
I've been saving these last words  
Do#m

for one last miracle  
La  
But now I'm not sure  
Mi Si  
I can't save you if you don't let me
