

High Hopes - Bruce Springsteen

Re* - da suonare di passaggio

Lam Re* Lam
Monday morning runs to Sunday night
Lam Re* Lam
Screaming slow me down before the new year dies
Lam Re* Lam
Won't take much to kill a lovin' smile
Lam Re* Lam
And every mother with a baby cryin in her arms sings
Sol
Give me help, give me strength
Lam
give a soul a night of fearless sleep
Sol
Give me love, give me peace
Do Mi
Don't you know these days you pay for everything
Lam Re* Lam
Got high hopes, got high hopes
Lam Re* Lam
Got high hopes, got high hopes
Lam Re* Lam
Comin' from the city, comin' from the wild
Lam Re* Lam
I see a breathless army breakin' like a cloud
Lam Re* Lam
They're gonna smother love, they're gonna shoot your hopes
Lam
Before the meek inherit, they'll learn to hate themselves
Sol
Give me help, give me strength
Lam
give a soul a night of fearless sleep
Sol
Give me love, give me peace
Do Mi
Don't you know these days you pay for everything
Lam Re* Lam Re* Lam
Got high hopes, got high hopes
Lam Re* Lam Re* Lam
Got high hopes, got high hopes
Sol
Give me help, give me strength
Lam
give a soul a night of fearless sleep
Sol
Give me love, give me peace
Do Mi
Don't you know these days you pay for everything

Lam Re* Lam
Got high hopes, got high hopes
Lam Re* Lam
Got high hopes, got high hopes
(repeat chorus to fade out)

Lam Re* Lam
So tell me someone, now, what's the price
Lam Re* Lam
I wanna buy some time and maybe live my life
Lam Re* Lam
I wanna have a wife I wanna have some kids
Lam
I want to look in their eyes and know they stand a chance

Sol
Give me help, give me strength
Lam
give a soul a night of fearless sleep
Sol

Give me love, give me peace
Do Mi
Don't you know these days you pay for everything
Lam Re* Lam Re* Lam
Got high hopes, got high hopes
Lam Re* Lam Re* Lam
Got high hopes, got high hopes
