

## *The rising - Bruce Springsteen*

Capotasto al III tasto

Do Sol  
Can't see nothing in front of me  
Do Sol  
Can't see nothing coming up behind  
Do Sol  
I make my way through this darkness  
Do Sol  
I can't feel nothing but this chain that binds me  
Do Sol  
Lost track of how far I ve gone  
Do Sol  
How far I ve gone, how high I ve climbed  
Do Sol  
On my backs a sixty pound stone  
Do Sol  
On my shoulder a half mile of line

Do Sol Do Sol  
Come on up for the rising come on up, lay your hands in mine  
Do Sol Do Sol  
Come on up for the rising come on up for the rising tonight

Do Sol Do Sol  
Left the house this morning bells ringing filled the air  
Do Sol  
Us wearing the cross of my calling  
Do Sol  
On wheels of fire I come rolling down here

Do Sol Do Sol  
Come on up for the rising come on up, lay your hands in mine  
Do Sol Do Sol  
Come on up for the rising come on up for the rising tonight

Dancing in a sky filled with light  
Do Sol  
May I feel your arms around me  
Do Sol  
May I feel your blood mix with mine  
Do Sol  
A dream of life comes to me

Do Sol  
Like a catfish dancing on the end of my line  
Do Sol  
Sky of blackness and sorrow (a dream of life)  
Do Sol  
Sky of love, sky of tears (a dream of life)  
Do Sol  
Sky of glory and sadness (a dream of life)  
Do Sol  
Sky of mercy, sky of fear (a dream of life)  
Do Sol  
Sky of memory and shadow (a dream of life)  
Do Sol  
Your burning wind fills my arms tonight  
Do Sol  
Sky of longing and emptiness (a dream of life)  
Do Sol  
Sky of fullness, sky of blessed life
