

Western Stars - Bruce Springsteen

Mim Fa Mim Fa Sol Sol4

Mim

I wake up in the morning
Fa Sol Sol4 Sol
just glad my boots are on

Mim

Instead of empty in the whispering grasses
Fa Sol
down the Five at Forest Lawn

Mim

On the set, the makeup girl brings me
Fa Sol Sol4 Sol
two raw eggs and a shot of gin

Mim

Then I give it all up for that little blue
Fa
pill that promises to bring it
Sol4 Sol
all back to you again

Do

Ride me down easy
Fa Sol Sol4 Sol
ride me down easy, friend

Mim

Tonight the western stars
Fa Sol
are shining bright again

Mim

Here in the canyons above Sunset
Fa Sol Sol4 Sol
the desert don't give up the fight

Mim

A coyote with someone's Chihuahua
Fa
in its teeth skitters 'cross
my veranda in the night

Mim

Some lost sheep from Oklahoma sips her Mojito
Fa Sol Sol4 Sol
down at the Whiskey Bar

Mim

Smiles and says she thinks she remembers me
Fa Sol
from that commercial with the credit card

Do

Hell, these days there ain't no more
Fa Sol
now there's just again

Mim

Tonight the western stars
Fa Sol
are shining bright again

Mim Fa Sol Sol4

Mim

Some days I take my El Camino
Fa Sol Sol4 Sol
throw my saddle in and go

East to the desert where the charros
Fa Sol
they still ride and rope
Do Fa
Our American brothers cross the wire
Sol
and bring the old ways with them
Mim
Tonight the western stars
Fa Sol
are shining bright again
Do Fa Sol Sol4 Mim Fa Sol Sol4

Once I was shot by John Wayne
Fa Sol
yeah, it was towards the end
Mim
That one scene's bought me a thousand drinks
Fa Sol Sol4 Sol
set me up and I'll tell it for you, friend
Do
Here's to the cowboys
Fa Sol
riders in the whirlwind
Mim
Tonight the western stars
Fa Sol
are shining bright again
Mim
And the western stars
Fa Sol
are shining bright again

Tonight the riders on Sunset are smothered
Sol
in the Santa Ana winds
Mim
And the western stars
Fa Sol
are shining bright again
Do
C'mon and ride me down easy
Fa Sol
ride me down easy, friend
Mim
'Cause tonight the western stars
Fa Sol Solsus2 Sol
are shining bright again

I woke up this morning
Fa Sol Sol4 Sol
just glad my boots were on
