

Baby Jane - Rod Stewart

Do Sol
Baby Jane, don't leave me hanging on the line,
Lam Fa Lam Fa Sol
I knew you when you had no one to talk to.
Do Sol
Now you're moving in high society,
Lam Fa Lam Fa Sol
don't forget I know secrets about you.
Fa Sol
I used to think you were on my side,
Fa Sol
but now I'm no longer sure.
Fa Lam Sol
I wish I knew what I know now - before.

Lam Sol
When I give my heart again
Fa Lam Sol
I know, it's gonna last forever.
Lam Sol
No one tell me where or when
Fa Lam Sol
I know, it's gonna last forever.

Do Sol
Baby Jane, don't it make you feel sad,
Lam Fa Lam Fa Sol
just when I thought that we were winning.
Do Sol
You and I were so close in every way,
Lam Fa Lam Fa Sol
don't time fly when you're loving and laughing.
Fa Sol
I've said goodbye so many times,
Fa Sol
the situation ain't all that new.
Fa Lam
Optimism's my best defense
Sol
I'll get through without you.

Lam Sol
When I give my heart again
Fa Lam Sol
I know, it's gonna last forever.
Lam Sol
No one tell me where or when
Fa Lam Sol
I know, it's gonna last forever.
Lam Sol
I won't be that dumb again
Fa Lam Sol
I know, it's gotta last forever.
Lam Sol
When I fall in love again
Fa Lam Sol
I know, it's gonna last forever.

Do Sol
Baby Jane, I've said all I want to say,
Lam Fa Lam Fa Sol
go your own way, don't think twice about me.

Do Sol
'Cause I've got ideas and plans of my own,
Lam Fa Lam Fa Sol
so long darlin', I'll miss you, believe me.
Fa Sol
The lesson learned was so hard to swallow,
Fa Sol
but I know that I'll survive,
Fa Lam Sol
I'm gonna take a good look at myself and cry.

Lam Sol
When I give my heart again
Fa Lam Sol
I know, it's gonna last forever.
Lam Sol
No one tell me where or when
Fa Lam Sol
I know, it's gonna last forever.
Lam Sol
I won't be that dumb again
Fa Lam Sol
I know, it's gotta last forever.
Lam Sol
When I fall in love again
Fa Lam Sol
I know, it's gonna last forever.
