

All I want is you - U2

La Re (X2)

La Re La Re
You say you want diamonds on a ring of gold
La Re La Re
You say you want your story to remain untold

Fa#m Re Fa#m Re
All the promises we made, from the cradle to the grave
La Re La
When all I want is you
La Re La Re
You say you'll give me a highway with no one on it
La Re
Treasure just to look upon it,
La Re
all the riches in the night
La Re La Re
You say you'll give me eyes on a moon of blindness
La Re La Re
A river in a time of dryness, a harbour in the tempest

Fa#m Re Fa#m Re
All the promises we make, from the cradle to the grave
La Re La
When all I want is you

La Re (X4)

La Re La Re
You say you want your love to work out right
La Re
To last with me through the night
La Re La Re
You say you want diamonds on a ring of gold
La Re La Re
your story to remain untold, your love not to grow cold

Fa#m Re Fa#m Re
All the promises we break from the cradle to the grave
La Re La
When all I want is you
La Re La
All I want is you
