La Do
I was chasing down the days of fear
Sol Fa
Chasing down a dream before it disappeared
La Do
I was aching to be somewhere near
Sol Fa
Your voice was all I heard
La Do
I was shaking from a storm in me
Sol Fa
Haunted by the spectres that we had to see
La Do
Yeah I wanted to be the melody
Sol Fa
Above the noise, above the hurt
La Do Sol Fa
I was young not dumb just wishing to be blinded
La Do
By you brand new
Sol Re
And we were pilgrims on our way

Sol Re Sim La
I woke up at the moment when the miracle occurred
Sol Re La La4 La
Heard a song that made some sense out of the world
Sol Re Sim La
Everything I ever lost, now has been returned
Sol Re La La4 La
In the most beautiful sound I'd ever heard

La Do Sol Fa La Do Sol Fa
Vocalizzo ohhh ohhh

La Do
We got language so we can't communicate
Sol Fa
Religion so I can love and hate
La Do Sol Fa
Music so I can exaggerate my pain, and give it a name

La Do Sol Fa
I was young not dumb just wishing to be blinded
La Do
By you brand new
Sol Re
And we were pilgrims on our way

Sol Re Sim La
I woke up at the moment when the miracle occurred
Sol Re La La4 La
Heard a song that made some sense out of the world
Sol Re Sim La
Everything I ever lost, now has been returned
Sol Re La La4 La
In the most beautiful sound I'd ever heard

La Do La Do
