Mim Re Do Sim

Mim Re Do Sim
Summer stretching on the grass, Summer dresses pass
Mim Re Do Sim
In the shade of a willow tree, Creeps a crawling over me
Mim Re Do Sim
Over me and over you, Stuck together with God's glue
Mim Re Do
It's going to get stickier too, It's been a long hot summer
Re
Let's get undercover,

Do Re
Don't try too hard to think, Don't think at all
Sol Mim
I'm not the only one Starin' at the sun
La Do
Afraid of what you'd find you step back inside
Sol
You're not just deaf and dumb
Mim La
Staring at the sun you're not the only one
Do Mim Sol
Who's happy to go blind

Mim Re
There's an insect in your ear,
Do Sim
If you scratch it won't disappear
Mim Re
Gonna itch and burn and sting,
Do Sim
You want to see what the scratching brings
Mim Re
Waves that leave me out of reach,
Do Sim
Breaking on your back like a beach
Mim Re
Will we ever live in peace?

Do Re
Cause those that can't do...often have to
Do Re
Those that can't do...often have to preach
Sol
To the ones
Mim La
Starin' at the sun afraid of what you'd find
Do Sol
You step back inside You're not just deaf and dumb
Mim La
Staring at the sun you're not the only one
Do Mim Sol Mim Sol
Who's happy to go blind

Mim Re Do Sim
Intransigence is all around, Military still in town
Mim Re Do Sim
Armour plated suits and ties, Daddy just won't say goodbye

Mim Re
Referee won't blow the whistle,
Do Sim
God is good but will he listen
Mim Re
I'm nearly great but there's something I'm missing
Do Re
I left in the duty free
Do Re
She never really belonged to me
Sol Mim
I'm not the only one Starin' at the sun
La Do
Afraid of what you'd find you step back inside
Sol
I'm not sucking on my thumb
Mim La
Staring at the sun you're not the only one
Do
Who's happy to go blind
