beaten on the big people

She just throws it back at me

Once I dug an early grave

Do

To find a better land

And took her bruise back again

(Repeat x2)

Re  
When I go to cross that river  
Do  
She is comfort by my side  
Sol  
When I try to understand  
Re  
She just opens up her hands

Re  
there's a big  
Lam7  
A big hard sun  
Sol  
beaten on the big people  
Re  
in the big hard world

Re  
Once I stood to lose her  
Do  
when I saw what I had done  
Sol  
bound down and flew away the hours  
Re  
of her garden and her sun

Re  
so I tried to warn her  
Do  
I turned to see her weep  
Sol  
40 days and 40 nights  
Re  
and it's still coming down on me

Re  
there's a big  
Lam7  
A big hard sun  
Sol  
beaten on the big people  
Re  
in the big hard world
