Re La Re

Oh, it's a mystery to me

Sol La

We have a greed with which we have agreed

Sol La Sim

And you think you have to want more than you need

Sol La Sim

Until you have it all you won't be free

Sol Re

Society, you're a crazy breed

La Sim

Hope you're not lonely without me...

Re La Re

When you want more than you have you think you need...

Sol

And when you think more than you want

La

your thoughts begin to bleed

Sol La Sim

I think I need to find a bigger place

Sol La

Because when you have more than you think

Sim

you need more space

Sol Re

Society, you're a crazy breed

La Sim

Hope you're not lonely without me...

Sol Re

Society, crazy indeed

La Sim

Hope you're not lonely without me...

Re - La - Re

Re - Sol - La

Sol - La - Sim (x2)

Sol - Re - La - Sim

Re La Re

There's those thinking, more-or-less, less is more

Sol La

But if less is more, how you keeping score?

Sol La Sim

Means for every point you make, your level drops

Sol La Sim

Kinda like you're starting from the top, you can't do that...

Sol Re

Society, you're a crazy breed

La Sim

Hope you're not lonely without me...

Sol Re
Society, crazy indeed
 La Sim
Hope you're not lonely without me...

Sol Re
Society, have mercy on me
 La Sim
Hope you're not angry if I disagree...

Sol Re
Society, crazy indeed
 La Sim
Hope you're not lonely...without me...
