Only the strongest one breathes

You made a miracle mother

I'll make a man out of me

Sol Fa Mim Do Sol Fa Mim Do
Daddy, where's the sun gone from the sky?
Sol Fa Mim Do La
What did we do wrong? Why did it die?
Do7 Mi
And all the grown-ups say "sorry kids, we got no reply"

If you're willing to change
Sol Mi
The world let love be your energy
Mi La
I've got more than I need
Re Mi Mi Si
When your love shines down on me

Mi Si Mi Si
Ev'ry tear that you cry
Mi Si Mi Re
Will be replaced when you die
Mi Re Mi Si
Why don't you love your brother?

Are you out of your mind?

Sol Fa Mim Do Sol Fa Mim Do
Daddy, where's the sun gone from the sky?
Sol Fa Mim Do La
What did we do wrong? Why did it die?

And if you've got no love for me, then I'll say goodbye

If you're willing to change
Sol Mi

I've got more than I need
