Heart of gold - Neil Young

```
Mim       Do    Re        Sol
I want to live, I want to give
Mim         Do          Re       Sol
I've been a miner for a heart of gold
Mim           Do         Re    Sol
It's these expressions I never give

Mim7                          Sol
That keep me searching for a heart of gold
Do                       Lam  Sol
And I'm getting old
Mim7                          Sol
That keep me searching for a heart of gold
Do                       Lam  Sol
And I'm getting old

Mim          Do         Re             Sol
I've been to Hollywood, I've been to Redwood
Mim              Do          Re       Sol
I've crossed the ocean for a heart of gold
Mim            Do        Re       Sol
I've been in my mind, it's such a fine line

Mim7                           Sol
That keeps me searching for a heart of gold
Do                       Lam  Sol
And I'm getting old
Mim7                           Sol
That keeps me searching for a heart of gold
Do                       Lam  Sol
And I'm getting old

Mim                      Re       Mim
Keep me searching for a heart of gold
Mim                             Re      Mim
You keep me searching and I'm getting old
Mim                      Re        Mim
Keep me searching for a heart of gold
Mim                      Sol
I've been a miner for a heart of gold
